## Instructions for Electronic Post Secondary Institutions (PSI) Selections Form

The PSI Selections form is now available in electronic format. The Ministry will no longer be producing, sending or accepting paper copies of the PSI Choices Form.

Students may make their PSI Selections between November and the end of June each school year. **Please ensure students are aware that this form is only accessible to June 30 of each school year.**

Students wishing to have their marks forwarded in the early admission transfer to BC Electronic PSIs and the Ontario Universities Application Centre (OUAC) must submit their selections by **April 30**.

Section 1 of the PSI Selections form allows students to select one or both of the BC Electronic PSIs and the Ontario Universities Application Centre. In addition to this, students may make a maximum of 6 more selections from Sections 2 and 3. There is no fee for these selections.

As with the paper format in previous years, students are not able to delete their selections once they have been submitted to the ministry. Therefore, it is important that students choose carefully before submitting their selections. Students who use all their selections and then change their minds will be required to complete a *Transcript Request Form* and pay for any additional PSI selections.

**The following information will help you guide your students through the process.**

## Accessing the Electronic PSI Selections form

Students access the electronic PSI Selections form from the Student Secure Web. **Schools do not have access to this site.** This is a personal document that requires students to provide authorization for the ministry to release their information to outside institutions.

**Step 1:** Students log into their account through the *Student Secure Web* and select the link “*Post Secondary Institute Selections*”

The screenshot shows the EdAccess Student Secure Web interface. At the top, there is a navigation bar with links for "Ministry Home" and "Government of British Columbia". The main header features the "EdAccess" logo and a banner image with the text "Ministry of Education". Below the header, the page title "Student Secure Web" is displayed on the left, and the code "TSW-1017" is on the right. The main content area is divided into two sections: "TRAX (Transcript and Examinations)" and "General". The TRAX section contains three links: "Provincial Examination Results", "Unofficial Transcript of Grades", and "Post Secondary Institution Selections". The General section contains three links: "Change Password", "Change Email Address", and "Logoff". At the bottom, there is a footer with links for "Top", "Copyright", "Disclaimer", "Privacy", and "Feedback".
