Vital Youth Grant Recommendations

Each school participating in Vital Youth has an endowment fund held at the Victoria Foundation. A portion of the annual investment returns from the fund is set aside for granting. **Your school's endowment fund has \$108.00** that may be granted in 2014 or added to the capital balance of your fund. Building the capital balance of your fund will mean the amount of your endowment fund grows and helps to ensure the sustainability of the Vital Youth program.

- We choose to add the 2014 granting amount (\$108.00) from our school's endowment fund to our fund's capital to help ensure Vital Youth can run in perpetuity
- We choose to grant the 2014 granting amount (\$108.00) from our school's endowment fund to our grant(s) listed above to increase the immediate impact of our grant
