

Stelly's Secondary School Plan

2017-18

School Goal Statement: To improve student engagement and social responsibility across all curricular areas.

1. Rationale:

- a. Students not engaged in their learning miss opportunities to become self-motivated, independent learners.
- b. Staff feel it is important for students to explore strategies to take ownership of their learning.

2. Strategies:

a. Taking Action:

- i. Give students increased opportunities to be successful.
- ii. Staff will continue to be more effective with collaboration time and develop a focus group that consistently discusses student engagement with a focus on core competencies and the big ideas in the new curricula.
- iii. Staff will increase their connection with students and their families regarding the social responsibility in the area of attendance.
- iv. Staff will develop a process with timelines for ensuring student are accountable for making up missed learning.

a. Checking/Results:

- i. Continue drawing of evidence from the annual OurSCHOOL Survey to identify those areas of student engagement requiring attention.
- ii. Continue looking at changes in success rates.
