**WELCOME TO MEET THE TEACHER!**

Thursday, September 29, 2016

1. Parents/guardians, please make every effort to be seated by 5:50 pm in the large gym. After the opening address by Ms. Hansen (Principal), you'll be invited to follow your child's schedule and move to their Block 1 classroom. Announcements will move parents/guardians from class to class following the regular daily block order. Time for each class visit will be about 15 minutes where the teacher will share a brief course overview and topics such as the most effective means of communication, support for those students having difficulty, and answers to general questions.
2. Parent/guardians expecting one on one discussion(s) about their son or daughter should make appointments to meet the teacher for another time.
3. Please bring your child's course timetable and room numbers with you this evening.
4. **Dual Credit Registration Workshop and Information Session:**  
Parents and Guardians of students registered in dual credit courses for Winter sessions of Art 121, Crim 154, ICS 114, and Psych 130 are requested to arrive at **5:30pm**. Information pertinent to dual credit courses will be presented and registrations will be processed. Registration involves both students and guardians, so please ensure both parties are present.
