

February 11th, 2022

Dear Stelly's Parents, Caregivers & Guardians,

Provincial Assessment Update - We have received information regarding Literacy 10, Numeracy 10, Literacy 12, and French Literacy 12 assessments. The schedule for Lit 10, Num 10, and Lit 12 will continue as planned and therefore, we will be offering a sitting of the assessment in April and June. A Stelly's assessment schedule will be published soon. *All French Literacy 12 assessments have been cancelled for this school year.* Grade 12 French Immersion students and families have been emailed separately.

Return of Semester 1 Textbooks - Overdue statements were included with student report cards. If your youth received this, please nudge them to return their textbooks to the Learning Commons asap.

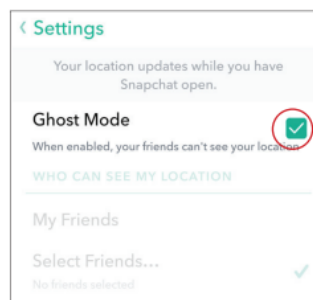

Digital Safety Session - In listening to the parent presentation offered by Safer Schools, it might be helpful for you and your youth to know more about SnapMaps (the map on SnapChat) and its detailed geolocation ability. With all technology, it is important for the user to know how this can be used in both its benefits and detriments. It is suggested that youth always personally know the people who they accept as friends on social media and that youth place themselves on ghost mode in SnapChat so that others/friends cannot see their location. Please have a conversation with your youth about their contacts and their settings. Below is an image that may help with that conversation.

These are all of Ashley's friends who have Snapmap enabled (the vast majority). They are represented by the Bitmoji that they designed.

This is why it is so important that our children are only communicating on Snapchat with close friends they know in real life.

Within settings, you can turn off Snapmap completely by enabling Ghost mode. Or only allow it to be viewed by their best friend and YOU.

Enable
Ghost Mode

HÍSWKE, Merci and Thank you,

Melanie Paas
