

March 6th, 2022

Dear Stelly's Parents, Caregivers & Guardians,

Just a few updates after such a lovely weekend.

Interim Reports - Teachers have been connecting with parents via email or phone if they have concerns about a student's progress. If you are unsure about your child's progress, ask your child and email their teacher, if necessary. For your information, term 3 ends on April 14th. A staff directory can be found [here](#).

Course Selection - Students should have submitted their course selection forms last Thursday. If you did not sign their form, it is likely that they have not handed it in. Please remind them to submit this asap.

Breakfast Club - Did you know that thanks to our Breakfast Club organizer, Darcy Winkel, and a number of volunteers, Stelly's offers bagels and juice every morning for \$0.25 each? This is a well utilized service for our children and we appreciate that our kids are nourished before their learning. Our dedicated organizer is graduating this year (well, her last child is) and we need a new organizer for the next school year. Here is a message from Darcy:

My last child is graduating this June so I am stepping out of this responsibility. I am certainly happy to help out in the transition period to bring you up to speed. You can set it up all from your home computer organizing volunteers to run it, or you can come into the school and help out as well, depending on your time and availability. The club provides bagels for \$0.25 and has been deemed an essential service for the school, as food for kids in the morning is so important. Please let me know if this is an area you would like to help the Stelly's community out with, it would be appreciated. Darcy Winkel at dmwinkel@shaw.ca.

Please consider taking on this essential role.

Rapid Antigen Tests for Students: The same message as last week as we have yet to receive the student rapid tests. When they arrive, we will notify families. Please see [Guidance for parents/guardians on how to use the tests](#).

Humanitarian Efforts: Our Social Justice Club will be collecting donations in block 2 classes to support humanitarian efforts in the Ukraine. If you are needing strategies to talk with your youth about as your youth is feeling overwhelmed with the current state of the world, this blog post may be helpful to you <https://cmionline.com/talking-with-youth-about-ukraine/>

HÍSWKE, Merci and Thank you,
