Welcome to Meet the Teacher! Thursday, September 23, 2021

Dear Parents/Guardians,

It has been two years possibly, since you have had an opportunity to come inside Stelly's for an extended period of time due to the challenges of the COVID-19 pandemic. We are very excited to see you this year for Meet The Teacher Night and we would like to encourage you to come by the school at 5:30 pm to sign in and then wander through the school and see some of the wonderful things our fabulous students continue to do.

Please remember to have a mask on at all times when in the school and also, please remember to make a copy of your child's timetable or take a picture of it on your phone.

At 6:00 pm we will start the evening program and we ask that Parents/Guardians have signed in and are in your child's TA (Teacher Advisor) classroom by this time. After the opening virtual address by Mr. Redlin (Principal) and students, and a short conversation with your child's TA, you'll be invited to follow your child's schedule, starting with their Block 1 class.

Lists of each student's TA and classroom location will be posted at the main entrance and Leadership students will be throughout the school to help with directions. Announcements will move parents/guardians from class to class following the regular daily block order. Time for each class visit will be about 13 minutes where the teacher will share a brief course overview and other topics such as the most effective means of communication, support for those students having difficulty, and answers to general questions.

Parent/Guardians wanting one-on-one discussion(s) about their son or daughter should make appointments to meet the teacher for another time.
